For Period Ended: September 30, 2016

Address of Principal Executive Office:

9830 S. 51st Street

Reason for Delay in Posting Financial Report: State below in reasonable detail why the Annual/Quarterly Report could not be filed within the prescribed time period.

Effective June 30, 2016, the Company acquired all the assets and assumed certain liabilities of ORhub, LLC including its name, business, technology, website and patents. This quarterly financial report for the period ending September 30, 2016 is the first financial report reflecting the substantial expansion of the Company's operations and the exercise of common stock purchase warrants. The considerable financial and accounting work associated with the foregoing matters has delayed the Company's completion of its financial and other information. We need additional time to compile the information required to ensure accurate financial statements and proper reporting of all subsequent event, commitments and contingencies.

Anticipated Filing Date:

[Please note that the filing of this notification grants issuers 5 additional calendar days to post a Quarterly or Interim Report and 15 calendar days to post an Annual Report.]
